TD100 Touchless Dispenser

DS400 STAND BRACKET

SLEEK TOUCHLESS DESIGN

850ML BULK FILL
SAVES MONEY

The **TD100 Touchless dispenser** can be used with both soap and hand sanitizer. It provides an easy touchless germ fighting solution at your medical, construction, retail or public facility.

The **TD100 is the perfect companion to the DS400** portable sanitization stand which can hold up to four TD100 dispensers.
